SKYSTONE EDUCATION · PEGASUS RPAS TRAINING

Arif Kassum

Founder & President, Skystone Education Inc.

Advanced RPAS Pilot | Certified RPAS Flight Reviewer | STEM Educator

Arif Kassum is a Canadian educator and aviation professional born in Winnipeg, Manitoba who is dedicated to helping learners become safe, knowledgeable, and confident drone pilots. Through Skystone Education Inc., he delivers practical, engaging training that combines Transport Canada requirements with real-world operational experience. His teaching philosophy emphasizes understanding rather than memorization, so students leave prepared to fly responsibly and succeed on the Transport Canada Basic RPAS exam.
